MAKING A DIFFERENCE IN OUR COMMUNITY

When you support YMCA fundraising events such as the Annual Golf Outing you are helping to improve our community as monies raised directly benefits our scholarship program. Allowing us to provide a safe place where kids can go to gain confidence and self-esteem, a place where families can reconnect and grow stronger together, and a place where older adults can stay active and social.

The Miracle League give a child with disabilities the chance to play baseball. Offered free to all participants.

Swimming lessons teach children to be safe in and around water.

Our Child Care programs give parents peace of mind knowing their child is in a safe, nurturing environment while they are at work.

Scholarships allow a family struggling with health issues the opportunity to be a part of the Y, and come together as a family to reach their health goals.
