Lap Pool Stats:

- 8 Lanes, 25 yards long
- Approximately 72 lengths = 1 mile
- Temperature range: 81-83 degrees

Instructional Pool Stats:

- Zero-depth entry to 4' depth
- Temperature range: 89-91 degrees

Kueny Aquatic Center Policies, Procedures, & General Information:

- Please help us keep our water clean! We pride ourself in maintaining an exceptionally high standard of water quality. Please help us with this by wearing appropriate, clean swimwear, showering prior to pool entry, and by not wearing outside shoes onto any of our pool decks.
- Floatation devices and/or pool toys will be allowed at the lifeguard's discretion. Any floatation device or pool toy must be clean and free of debris. The YMCA recommends only US Coast Guard approved floatation devices.
- A parent or guardian must directly supervise children 6 & under at all times unless your child is a participant in a Y-supervised program. Parent or guardian must be in proper swimwear and in the water. Children ages 7-9 also require direct supervision unless they pass the deep water swim test; however, an adult must remain on the pool deck.

- Running, rough play, and unsafe behavior are not permitted in the pool or on the pool deck.
- Equipment must be returned to the proper location after use.
- Food and glass containers are not permitted in the pool area.
- Utilization of pool space is determined by management and enforced by staff.
- Lap Swim: Lane-splitting or circle swimming may be required to accommodate all swimmers. Designated lap swimming times are indicated in the pool schedule.
- Fitness Swim: All non-lap swimming activities including water walking, independent exercise, and private swim lessons are to be done in this space.
